School closes at 3:30pm for the summer break

Dear Parents

Welcome back after the half term break. As you will see from the school diary, this is a particularly busy and exciting time of year for us with the school play, sports fixtures and visits out of school to mention a few. Please could you ensure that children have named sunhats, water bottles and named sun cream in school.

A huge thank you to all of you who took part in our 'walk to school week' before the half term break and the many parents who helped out with the walks from the various locations. It was a great start to the school day, and the children very much enjoyed walking with their friends. We hope this will encourage more of you to start the day a few minutes earlier and park away from the school on a regular basis.

I hear that many of you have had a great time hunting out the bears for this year's bear hunt. If you haven't had a chance to join in the fun, search booklets can be purchased from the school office for £2.00.

#### GDPR (General Data Protection Regulation)

We have now updated our communications systems. The first email was sent out to you on Friday 25 May at 4:30pm regarding the new Data Protection Regulations. Please could you check that you have received this email and let us know if it was not received. Please could you also ensure we have your most recent email and mobile number. We are currently updating our website to ensure all of the policies and procedures relating to GDPR are available for you to view.

#### Family Reading Night

A reminder that this Friday 8 June 6:00-7:00pm is family reading night. Please sign up and come long to this very popular event which is organised to encourage your children to have a life long love of reading and for you to find out the latest 'good reads' for children. P&G Wells will also be in school during the afternoon, as well as selling books after school and at the event.

#### Sunday Club

This **Sunday 10 June at 10:00am** will be our 3rd Sunday club. There will be many exciting activities for children around the theme of 'sharing', with the story of Jesus feeding the 5,000.

#### Sports Day

A reminder that sports day will be next week on Thursday **14 June at 1:30pm**. It is one of the key dates in the school calendar and we look forward to inviting you all along. Access onto the field will be through the lower gate on the school track. For those of you who have not attended a school sports day before, there will be parent races – so don't forget your trainers! The weather forecast at the moment is looking good, however, we will contact you by 12:00noon if we need to postpone due to poor weather. The DSA have kindly organised for us to have ice cream Thursday at the end of all the sporting activities, so don't forget to bring along some change.

Please can you ensure that your child has their full school PE kit in school, and particularly trainers that fit.

#### DSA

The committee are hard at work organising our school **Summer Fayre on 7 July 2:00-4:00pm**, which this year has a country village theme. There will still be the Bouncy Castle, Dunk Tank and hopefully a beautiful sunny day with additional craft stalls, BBQ, beer tent and games for the children. Please remember the dates for the non uniform days (27 June for Children's tombola and 5 July for Adult tombola).

#### Church Summer Fayre—Saturday 16 June

The church summer fayre at Wintershill Hall, Durley will be on **Saturday 16 June 12:00-3:00pm**. Our pupils will be singing at 1:30pm and some of our Key Stage 2 musicians will be performing. Everyone is welcome at this lovely village event.

**Kirstie Baines - Headteacher**
