PE and Sport Premium Funding 2017-2018

The government has provided additional funding to Primary school until 2020 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers. The money can only be used to improve the provision of P.E. and school sport. Please click here to access the government website.

P.E. and school sport play a very important part in the life of Durley Primary School. We believe that P.E. and school sport contribute to the holistic development of our children and through participation, our children build and learn more about our key values such as respect, co-operation and kindness for themselves and others.

The sports premium funding of £8, 000 plus £5.00 per pupil totalling £8 625 has been used to support the development of P.E. and school sport in the following ways:

1. Achieve the Gold Standard Active Mark for PE
2. Enable more pupils in all age groups to take part in competitive sport either inter-school or intra-school competitions through subsidised, half termly in-house key stage competitions and competitions across the pyramid of schools and wider area.
3. Provide quality assured professional development opportunities for teachers, enabling quality teaching and learning for all children
4. Resource competitive sport at KS1 and KS2
5. Provide a broader range of after school sporting activities.

Our overall aim is to raise standards in P.E. and school sport, increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improved learning for all.

- More children are taking part in after school sports clubs than previously, with all of the seven sports clubs at full capacity since September, and registers showing healthy attendance.
- The additional funding has been used to train staff and purchase schemes of work to support the delivery of outdoor games.
- The school has entered a higher number of sporting competitions with improved outcomes as well as all pupils in years 1-6 having an opportunity to participate in inter-school sporting activities.

How will the PE and Sport Premium Funding 2018-2019 be spent?

In 2018-2019, the government increased the sports premium funding allocation to each Primary school. Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil totalling £17 038.

The funding has been used to continue to fund improvements to the provision of PE and sport for the benefit of all pupils at Durley Primary school, so that they develop healthy lifestyles. We work hard to achieve our sports and PE action plan to further develop PE provision across the school. Our statement covers the 5 key indicators of:

- 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
- 2: The profile of PESSPA being raised across the school as a tool for whole school improvement.
- 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4: Broader experience of a range of sports and activities offered to all pupils
- 5: Increased participation in competitive sport
