

2017 KS2 SATs Results: Headline figures - Durley Church of England Primary School

Following the introduction of the revised, more challenging Primary curriculum in 2014, the 2017 Key Stage 2 results presented in this document reflect a move away from reporting levels. Instead, pupils now receive test results as a scaled score and teacher assessments based on the interim framework. The headline figures are as follows:

94% of Durley pupils reached the new expected standard in reading, writing and mathematics with **22.2%** reaching the High Standard.

64.9% of pupils in Hampshire reached the new expected standard in reading, writing and mathematics with **11%** reaching the High Standard.

61.1% of pupils nationally reached the new expected standard in reading, writing and mathematics with **8.6%** reaching the High Standard.
