**PE and Sport Premium Funding 2020-2021**

The government has provided additional funding to Primary schools until June 2022 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers. P.E. and school sport play a very important part in the life of Durley Primary School. We believe that P.E. and school sport contribute to the holistic development of our children and through participation, our children build and learn more about our key values such as respect, co-operation and kindness for themselves and others.

The sports premium funding of £17 240 has been used to support the development of P.E. and school sport over the 2020-2021 academic year in the following ways:

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
2. The profile of PESSPA (Physical Education, School Sport & Physical Activity) being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Our overall aim is to raise standards in P.E. and school sport, increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improved learning for all.

- More children are taking part in after school sports clubs than previously, with all of the seven sports clubs at full capacity since September, and registers showing healthy attendance.
- The additional funding has been used to train staff and purchase schemes of work to support the delivery of outdoor games.
- The school has entered a higher number of sporting competitions with improved outcomes as well as all pupils in years R-6 having an opportunity to participate in inter-school sporting activities.

Due to the constraints of Covid-19 on pupil attendance at school and being unable to attend competitions
