PE and Sport Premium Funding 2022-2023

The government has provided additional funding to Primary schools until June 2024 to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – has been allocated to primary school head teachers. The money can only be used to improve the provision of P.E. and school sport. Please click here to access the government website.

P.E. and school sport play a very important part in the life of Durley Primary School. We believe that P.E. and school sport contribute to the holistic development of our children and through participation, our children build and learn more about our key values such as respect, co-operation and kindness for themselves and others.

The sports premium funding of £17 170 has been used to support the development of P.E. and school sport over the 2022-2023 academic year in the following ways:

1. The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.
2. The profile of PESSPA (Physical Education, School Sport & Physical Activity) being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Our overall aim is to raise standards in P.E. and school sport, increasing the participation and opportunities offered to our children. We aim to provide higher quality lessons and improved learning for all.

- More children are taking part in after school sports clubs than previously, with all of the seven sports clubs at full capacity since September, and registers showing healthy attendance.
- The additional funding has been used to train staff and purchase schemes of work to support the delivery of outdoor games.
- The school has entered a higher number of sporting competitions with improved outcomes as well as all pupils in years R-6 having an opportunity to participate in inter-school sporting activities.

How will the PE and Sport Premium Funding 2023-2024 be spent?

In 2023-2024, the sports premium funding allocation to each Primary school with 6 or more eligible pupils received £16,000 and an additional payment of £10 per pupil totalling £17 170.

The funding will be used to continue to fund improvements to the provision of PE and sport for the benefit of all pupils at Durley Primary school, so that they develop healthy lifestyles. We work hard to achieve our sports and PE action plan to further develop PE provision across the school. Our statement covers the 5 key indicators of:

The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school.

- We will increase our sports coaching and after school sports clubs to involve more pupils
- Building the use of a Multi-Use Games Area on the school field to continue to increase playtime games opportunities due to larger space all of the year round.

The profile of PESSPA being raised across the school as a tool for whole school improvement.

- We will take children to professional matches e.g. T-20 in cricket at Ageas Bowl, St Mary's Stadium Watch Kestral's play Basketball. This will encourage more children to take up sports outside school and enthuse all children.
- Encourage interest in Olympic games in Paris 2024.
- Increase in participation in residential visits for all KS2 pupils to the Isle of Wight and Beaulieu

Increased confidence, knowledge and skills of all staff in teaching PE and sport

- Increased pupil coaching in lesson time for all classes to raise standard of teaching. Staff to be part of every lesson.
- Purchase of new PE planning for dance and gymnastics (PEPlanning scheme) to support staff teaching and understanding.

Broader experience of a range of sports and activities offered to all pupils

- Widen experience through involvement of Active 360 in lessons introducing Olympic sports (e.g. fencing, archery, Javelin).

Increased participation in competitive sport

- We will widen our involvement in competitive sport by taking more teams to competitions and getting involved with B team fixtures and sport for all.
